

SWEET MOLLIE BCB

Date of Birth: **Registration 1:**

10/24/2016 Pending

Courtesy of Bolen Longhorns

Sweet Mollie's dam, Riverboat Mollie, has been a consistent producer for us.. She's another money cow and we'll hang onto her. This heifer has a nice balance of body and good horn growth. She comes from that good producing Rutledge's North Brook line. And her sire is out of the beautiful Palmetta Check cow..
