This young cow goes back to some really good genetics from the show circuit. Her granddam, Impact's Three Ten, was one of the Brent and Cindy Bolen's award winning show cows. She has the beautiful traditional handle bar horns that are slowly disappearing from our breed. Gigi Bandita is a good mother cow and raises good calves. Real solid Bandera Chex daughter.

**Total Horn:** 83.5000 on 07/29/2019
